

EUROPEAN HEART ACADEMY

DRIVE THE FUTURE OF CARDIOLOGY!

Join a network of like-minded peers!

The European Heart Academy governs post graduate programmes, in partnership with selected European universities. The specialized courses combine key opinion leaders and executive style teaching with innovative, interactive and on-line learning tools.

Develop your skills for:

- clinic or hospital management
- roles in regulatory, assessment and evaluation bodies
- advisory roles in national or international organizations

Executive MSc Health Economics, Outcomes and Management in Cardiovascular Sciences

- The executive programme prepares students to explore new advisory, management and leadership roles within the healthcare field. Expand your employment opportunities in related sectors including healthcare management roles, pharmaceutical and medical device industries, consultancies, government and non-governmental organisations.

Joint collaboration with

THE LONDON SCHOOL
OF ECONOMICS AND
POLITICAL SCIENCE ■
